FUSIONS Glass Studio (revised 11/19)

| Customer | Date | |
|----------|------|--|
| | | |

Add up the square inches of all the shelf space you used today by including $\frac{1}{2}$ " on <u>all sides</u> of your pieces to allow for space between items (basically, add an inch to your totals). *example*: 8"x10" piece = 9"x11" shelf space = 99 in²

Slump firing shelf space is computed by measuring the actual slump mold to be used, not the glass to be slumped. example: 8" circle on a 9" bowl mold = 9"x9" = 81 in²

Set out the slumping mold you need and place a sticker w/ your name on it, or set your piece (with sticker) on the mold and place it on the metal rack in the kiln room.

Slump Mold Rental Fees:

6" or smaller = \$1 • 7"-10" mold = \$3 • 11"-13" mold = \$6 • 14"- 17" mold = \$10 • Deep Form/XL = \$15

| Shelf space | Fee | Your Total Shelf-Space Usage (in²) | Slump Shelf-Space & Mold Rental See above |
|----------------------------------|--------------|--|---|
| Greater than 400 in ² | 9¢/sq. inch | | |
| 350-399 in ² | 10¢/sq. inch | | |
| 300-349 in ² | 11¢/sq. inch | | |
| 250-299 in ² | 12¢/sq. inch | | |
| 200-249 in ² | 14¢/sq. inch | | |
| 150-199 in ² | 16¢/sq. inch | | |
| 100-149 in ² | 18¢/sq. inch | | |
| 50-99 in ² | 24¢/sq. inch | | |
| 1-49 in ² | \$12 | | |

Standard temperatures = 1400°, 1425°, and 1500° ("Full Fuse"). If your piece requires a <u>special temperature</u> or an <u>individual shelf</u>, then kiln rental fees apply.

SPECIAL FIRES

Full Kiln Rentals

| Additional firings * | ½ price | Jewelry (7x7 shelf) | \$20 |
|-------------------------|--------------------|--------------------------|-------|
| Long fire ** | Shelf space x 1.5 | Small Kiln (12x12 shelf) | \$30 |
| Monitored Firing | \$25 + shelf space | Fiber Fuse (14x14 shelf) | \$40 |
| Monitored Drop Ring | \$70 | GL 24 (22x22 shelf) | \$50 |
| Combing Session (22x22) | \$85 | Pearl (53x27) | \$100 |
| Cane/Murrini pull | \$45 | Hexagon Kilns | \$45 |
| Pot Melt | \$50 | Bell Kiln (70x48) | \$200 |
| | | Large shelf rental | \$30 |

^{*} Per piece, does not include slumps or part-sheet firings

OTHER FEES

| 0111ER 1 EE9 | |
|--|----------------|
| Consultation | \$85/hr |
| Services provided by Fusions (i.e., cutting, prep, | \$60/hr + |
| sandblasting, lap grinding, etc.) | equipment time |
| Screen printing image prep | \$65 |
| Screen prep & image transfer | \$100 |

^{**} Long fire = thick pieces. Additional days = ½ price

| Equipment Use: (5 minute minimum) | | | |
|---|------------------------------|--|--|
| <u>Sandblaster</u> = \$5 activation + 2 per minute - employee r | required | | |
| | Sandblasting: Min x 2 + \$5= | | |
| <u>Lap Grinder, Tile Saw, Wet Belt Sander</u> - \$1 per minute | Equipment minutes: | | |
| <u>Drill Press</u> - enter \$ amount from displayed chart: *Requires your own bits | Drill Press: | | |
| Tool Rental: | | | |
| Tool pouch (cutter, running pliers, grozers) - \$3 pe | er day | | |
| <u>Circle cutter</u> - \$6 | Tool total: | | |
